

# AANP Foundation Scholarship & Grant Program 2009 Funding Cycle Call for Reviewers

Reviewers are an extremely important component of the American Academy of Nurse Practitioners Foundation Scholarship & Grant Program. As the number of scholarship and grant applications increases, so does the need for dedicated reviewers. AANP Foundation reviewers must be current AANP members and have NP faculty and/or NP preceptor experience. If you meet these requirements, the AANP Foundation would be pleased to have you volunteer to act as a reviewer. If you are interested in contributing your time and expertise as a reviewer during the 2009 Funding Cycle, please fill out this form and return it via fax to (623) 376-0369 by **October 16, 2009**. If your services as a reviewer are needed, an AANP Foundation staff member will contact you after the October 21, 2009 application submission deadline date. If you have questions regarding the review process, please contact us via phone at (623) 376-9467 or via email at [foundation@aanp.org](mailto:foundation@aanp.org).
