

# American Academy of Nurse Practitioners Certification Program

## National Certification Examination Testing for 2010

The National Certification Computer-Based Examinations is offered to graduates of Adult, Family, and Gerontologic Master's, Post Master's, and Doctoral Nurse Practitioner Programs.

Applications will be accepted for the 2010 testing year beginning December 1st, 2009.

As of January 4<sup>th</sup>, 2010 we will no longer be testing during predetermined windows. Instead, we will offer a continuous window in which to take our National Certification Exams with an individualized 120-day testing opportunity beginning upon approval to test.

For Site Locations please visit [www.prometric.com](http://www.prometric.com) for up to date locations (locations are subject to change).

*ANTICIPATED FOR JANUARY 2010- Online Processing of Applications will be available (start date is subject to change)*

**FEES:**

Examination—Computer-Based      Members \$240      Nonmembers \$315  
Fees are subject to changes from year to year without prior notification.

*Individuals who join the Academy at the time of application for examination will qualify for the members fee.*
