## SUPPORTER PIN AND DONATION FORM

The American Academy of Nurse Practitioners Foundation’s (AANPF) mission is to advance the role of NPs through the philanthropic support of education, research, practice, and humanitarian efforts for the improvement of the public’s health. The first national charitable foundation operating to benefit NPs of all specialties, AANPF began operations in March 1998 as an independent 501(c)(3) non-profit organization. The AANPF Scholarship & Grant Program was implemented in 1998, and AANPF has awarded more than \$751,650 in scholarships and grants to date. Public donations are essential to the success of our programs, and we encourage you to support NP excellence in one or more of the following ways.
