### CONDUCT

The conduct of all exhibits is subject to the approval of AANP, which reserves the right to require modification of any exhibit, which, in its opinion, is not appropriate to its national conference. **All exhibitors are responsible for ensuring their representatives and/or agents adhere to all of these rules and regulations.**

Electric or other mechanical apparatus must be muffled so any noise does not interfere with other exhibits.

### EXHIBIT/PROMOTIONAL ACTIVITY

- All booths must be constructed or arranged so as to accommodate their visitors within the booth area. Aisles must be kept free of obstructions.
- All apparatus must conform to the fire regulations of the facility.
- No canvassing or distributing of advertising matter outside an exhibitor's own booth is permitted.
- No person, firm or agency that is not an official exhibitor may display or demonstrate products or services, solicit orders or distribute advertising material within any facility contracted by AANP for its national conference.
- Subletting, assignment or apportionment of the whole or any part of space by an exhibitor is prohibited. No exhibitor may permit any other party to exhibit any goods or services other than those manufactured or handled by the contracting exhibitor in his space nor permit the solicitation of business by others within that space.
- No exhibitor may enter another exhibitor's booth without permission. No exhibitor may sell within the aisle space.
- Each exhibiting company has only a terminable license to exhibit. If the AANP determines that an exhibitor has failed to comply with any rule or is not in good taste, the AANP can terminate this license and can close the exhibit without notice.
- All applicable products and services must meet FDA guidelines and standards or be FDA approved. All products and services must meet state regulatory guidelines and adhere to excellence in professional conduct.
- No application will be processed unless you provide a brief description of goods and services, including brand name(s), to be exhibited during the national conference. ## General Rules

### OFFICIAL SERVICE CONTRACTOR

Exhibitors are urged to order all services required in advance. Champion-Nationwide will have a Service Desk available during the set-up period and will remain in operation throughout the entire meeting. Exhibitors may verify and adjust the requirements for installation, furniture, audio-visual and other auxiliary services through this Service Desk. A complete list of charges will be available in the Service Kit.

### LIABILITY

To avoid damage to your equipment or display, please remain with your exhibit until your crates are returned and your material is packed.

The American Academy of Nurse Practitioners, the Gaylord National on the Potomac, Meeting Management Associates, Champion-Nationwide and/or their employees, servants and agents cannot assume any responsibility for loss or damage to exhibits, equipment, personal belongings, etc. The exhibitor assumes entire responsibility and liability for losses, damages and claims arising out of injury or damage to the exhibitor's display materials and other property, employees or contracted labor brought upon the premises, and shall indemnify and hold harmless the American Academy of Nurse Practitioners, Gaylord National on the Potomac, Meeting Management Associates, Champion-Nationwide and any authorized representative, agent or employee of the foregoing, and any and all losses, damages and claims. If you do not have a rider, one should be put on your insurance policy.

### UNION REGULATIONS AND JURISDICTION

Specific rules and regulations regarding installation, dismantling, labor requirements and regulations will be published in your service kit.

To avoid any misunderstanding regarding carpenters and labor, contact Champion-Nationwide. Champion-Nationwide will do its best to clarify this area of possible misunderstanding so as to make this show run smoothly and be cost effective for every exhibitor. Do not wait until the show to resolve problems that can easily be taken care of in advance.

### MATERIAL HANDLING/DRAYAGE

The decorator is responsible for the delivery, unloading, reloading and processing of all exhibitors' freight shipments. Services provided by Champion-Nationwide are as follows:

- Receive and store all shipments a maximum of 30 days prior to the initial installation
- Deliver exhibit material to the exhibit area and place in booths
- Remove the empty crates and put them in storage

All drayage handling, forklift operations and work requiring material handling equipment is to be performed by the Official Contractor. Union jurisdiction prevails over the operations of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may move material that can be a) hand-carried without the use of dollies, hand trucks, or other mechanical equipment and b) accomplished in one trip. Space is limited at the dock sites and controlled by teamster jurisdiction.

Loose and unpacked equipment will not be accepted at the warehouse. Exhibitors are encouraged to ship their exhibits and materials to the warehouse prior to June 17, 2008.

All rates include pickup, storage during the 2008 National Conference and return of materials to the exhibitor's booth. All shipments must be sent prepaid. All freight shipments should be made on straight bills of lading. Bills of lading should be addressed in a manner identical to exhibit material. Correct weights should be provided; otherwise, receivers' estimated weights will prevail. Collect shipments will not be accepted.

### EXHIBITOR APPOINTED CONTRACTORS

- The on-site service firm must furnish a copy of an insurance certificate to Meeting Management Associates in the amount of \$1,000,000 liability & workman's compensation to include property damage no later than May 23, 2008. The Certificate must indicate full coverage for installation days, show days and dismantling days. AANP, Meeting Management Associates, Champion-Nationwide and Gaylord National on the Potomac shall be named as additional insured.
- The appropriate number of union personnel must be ordered by the display house/service firm. Additional orders may be placed on-site.
- Upon arrival at the exposition site, display house/service firms must check in with exhibitor registration to receive work/labor badges, which will allow them access to the show floor.

- Service firms may not solicit business on the exhibit floor at any time.
- Service firms must follow all of the move-in and move-out rules and regulations in a timely and professional manner and must supervise work within AANP's established deadlines.
- Service firms must cooperate with the official designated contractors especially by not interfering with the efficient use of the official contractors' workers.

## CANCELLATION OF EXPOSITION

It is mutually agreed that in the event of cancellation of AANP's 2008 National Conference; as a result of strikes, governmental regulations or other causes which would prevent its scheduled opening or continuance, this agreement will be terminated immediately, and AANP shall determine an equitable basis for the refund of such portion of the exhibit fees as is possible, after due consideration of expenditures and commitments already made.

## CANCELLATION OF EXHIBITORS

AANP reserves the right to cancel any exhibitor from attending its conference if it deems the exhibitor is inappropriate for the participants.

## AMENDMENTS OF RULES AND REGULATIONS

All matters and questions not covered by these regulations are at the discretion of AANP and its agents. These regulations may be amended any time by AANP and all amendments that may be so made shall be equally as binding, upon publication, on all parties affected by them, as were the original regulations.
