- ❑ Invite local, state and federal elected officials as well as local affiliates of national organizations such as American Heart Association, American Cancer Society, etc. to your practice site to become aware of the healthcare services that an NP provides.
- ❑ Obtain a proclamation from your local authority (mayor, city council, city manager) or state official (governor, lieutenant governor) proclaiming November 9 - 15 as National NP Week. Call their office to find out the procedures for obtaining a proclamation. When you send in the proclamation, it is suggested that you send in backup information about local NPs and planned activities in recognition of NP Week. [\(see sample proclamation\)](#)
- ❑ Create and distribute NP Week news releases. [\(see sample news release\)](#)
- ❑ Write a letter to the editor of your local newspaper(s) extolling the virtues of the many services provided by NPs to their patients and the communities they serve. Find out the newspaper's requirements for considering letters and comply with them – e.g. should it be typed, double-spaced, maximum length? Keep the focus relevant, timely and local.
